

Spinners  
“Cattail” by Berliner Seilfabrik

Play Structure  
(slide, climbing, etc.)

“Cosmo”  
by Berliner Seilfabrik  
(above & at left)

*This would be one of the first Cosmo play structures installed in the USA. New York City will install the first one next year at Brooklyn Bridge Park.*

NC Project for Big Walnut Park

## **Play Structure Recommendations II for School-age Playground (5-12 yr. olds)**

October 30, 2009
